

## CONTENTS

### **Bryophyte flora of Hunan Province, China**

- Koponen, T. 2022: Bryophyte flora of Hunan Province, China. 28. Rhizogoniaceae, Climaciaceae, Hedwigiaceae and Hylocomiaceae, excluding *Ctenidium* (Bryophyta). – *Acta Bryolichenologica Asiatica* 10: ..... 9–29.
- Sollman, P. & Koponen, T. 2022: Bryophyte flora of Hunan Province, China. 29. *Chionoloma* (Pottiaceae). – *Acta Bryolichenologica Asiatica* 10: ..... 31–38.

### **Contributions to Mniaceae**

- Koponen, T., Khan, A.S. & Gilani, S.A.G. 2022: Revision of Mniaceae (Bryophyta) in Pakistan. – *Acta Bryolichenologica Asiatica* 10: ..... 39–54.
- Koponen, T. 2022: *Plagiomnium himalayanum* T.J. Kop., spec. nov. from western Himalaya: possible sister to *P. integrum* and progenitor of *P. rostratum* (Bryophyta, Mniaceae). – *Acta Bryolichenologica Asiatica* 10: ..... 55–60.
- Koponen, T. & Ochya, R. 2022: The homotypic synonymy of *Mnium ambiguum* and *M. marginatum* var. *dioicum* and its taxonomic implications, and the status of *M. riparium* (Mniaceae, Bryophyta). – *Acta Bryolichenologica Asiatica* 10: ..... 61–73.

### **Contributions to Pottiaceae**

- Sollman, P. & Koponen, T. 2022: New records and range extensions of Pottiaceous mosses (Bryophyta) to seven countries and four provinces of China in SE Asia, and to two countries in Central Africa. – *Acta Bryolichenologica Asiatica* 10: ..... 75–91.

### **Contributions to Bartramiaceae**

- Koponen, T., Higuchi, M. & Aung, M.M. 2022: Bartramiaceae and Mniaceae specimens collected by M. Higuchi in Myanmar in 2017, with *Plagiomnium wui* new to Myanmar. – *Acta Bryolichenologica Asiatica* 10: ..... 93–101.
- Koponen, T. & Schwarz, U. 2022: A collection of *Philonotis* (Musci, Bartramiaceae) from the Philippines, with *P. norrisii*, *P. pseudomollis* and *P. vescoana* new to the country, and *P. vescoana* var. *flexuosa*, var. *nov.* – *Acta Bryolichenologica Asiatica* 10: ..... 102–118.
